93	Whatuwhiwi Top 10	Y	Y	Y	Y		They have one large site only for 5th Wheel or buses – Vodafone coverage okay, Telecom marginal
117	Mangonui PDS	Y	Y	Y	Y		Bit tight but drive past the dump station towards town then reverse in as there are too many trees the other way
228	Topham	Y	Y	Y	Y	?	4km from Kerikeri CBD. In process of becoming NZMCA park. Large flat area; easy parking for units of all sizes. Water will be made available. Can walk into town via track along stream. Also large shopping area at intersection of Waipapa Rd and SH - approx. 2-3kms.
237	KeriKeri RSA	Y	Y	Y	Y	Y	Park out the front on the tar sealed area that is not owned by the RSA but is fine for larger vehicles. Members stay there and no one appears to move them on (this came from the Mgr of the RSA). The RSA driveway at the back has low overhanging trees and there are wooden sections splitting the car park so turning is impossible for large vehicles! Honesty box. Dump station approx. 1km down road. No potable water. Close to town 5min walk. Meals available at RSA.
243	Kerikeri PDS	Y	Y	Y	Y		Excellent – plenty of room but no fresh water but in the weekends there is no one at the Turner Conference Centre next door which has a tap. Need a brass handle head to turn on the tap. The tap is on the left hand side of the building when facing the conference centre from the street.

602	Whangarei PDS	Y	Y	Y	Y		You can now drive through the lane to the dump station and turn at the top. This allows those who dump on the right side to do so without having to back and turn. Fresh water
633	Parua Whangarei Cruising Club	Y	Y	Y	Y		\$10 pn. Large grassy area on beach edge. Max. 5 vehicles. Can take all sizes if in first and has good turnaround. Great views Has caretaker, Wally, in caravan @ entrance. Can park immediately outside the cruising club land on grass for free. Handle units of all sizes. Best suitable in summer. Has a public recycling area. Parua hotel east - 5 min walk serves good meals and coffee. Take torch at night as some low hanging branches.
639	Manganese Pt. - NZMCA	N	N	Y	Y		Narrow road access with limited passing. At entrance limited turnaround for units over 10m. Steepish gravel entrance with limited turnaround at bottom if other vehicles parked. Probably need 4WD to get traction to exit. Best avoided. Not as scenic as Parua Bay.
646	Marsden Cove	Y	Y	Y	Y	Y	\$15 pn. In summer can handle units of all sizes on grass area next to marque. If wet there are spaces on seal and can take limited number of units of all sizes. Best check with marina manager re parking. Access to potable water though not easy. Has café as part of the complex serves meals. There is a free park area beyond the marina entrance that could take up to 2 units 12m max. Rather rough entrance. There is a Caltex truckstop close by. Worth using to view scale model of oil refinery approx 3 kms away.

8370	Dunedin - Mosgiel - Racing Club (CAP)	Y	Y	Y	Y	Y	Carpark area (\$8). Good dump station on site, but requires backing for left-dump rigs - generally enough space to manoeuvre. Water & Rubbish available.
8470	Lake Hawea - Hotel - CAP	Y	Y	Y	Y	Y	Grassed area behind (& above) hotel. Great views of the lake and surrounding mountains. Grass with shingle base. Ground is a bit rough - minimal levelling required. \$10 per night per van.
8522	Luggate - Cricket Club CAP	Y	Y	Y	Y	Y	More like a camping ground. \$5 pppn. Very large grassed area off power. Very limited number of powered sites. More suited to dry weather. Toilets and shower. Dump station (\$5) on site but requires backing in or out depending on dump side - use septic tank.
8602	Kingston	N	N	Y	Y	Y	Very nice, by Lake Wakatipu. But no solar, no TV. Limited level areas. Recommend the southern entrance (though is a tight turn in from the north). (North entrance did fit a 13 metre rig, but skimmed trees).
8605	Kingston - Hectors CDS	?	Y	Y	Y	Y	Usual campground amenities. Water tastes great but water pressure is very low. 3 or 4 large sites which comfortably fit a 5th wheel.
